

Wheels to Wellness

An initiative of
Nackawic & Area Wellness
Be Part of the Energy

The intent of this Wheels to Wellness Program is to provide transportation to and from medical appointments.

Your Driver is a volunteer. They carry out their responsibilities as a free service to members of the community.

The volunteer drivers for the Wheels to Wellness program have successfully obtained a *Vulnerable Sector Check* with the RCMP and have completed an application form for the program.

Your driver understands that all calls are to be booked through **Linda Brewer at 575-1999**.

Thank you for being a part of this initiative; it could not continue without our volunteer drivers and our clients.

We are blessed to live in a community where people look out for their neighbours.

**Need a drive to a medical appointment?
Call Wheels to Wellness**

All calls are booked through **Linda Brewer 575-1999**; or by emailing blindalou92@yahoo.com.

If possible, we require 48 hours notice, however we will make every effort to accommodate last-minute requests.

- **The fee for a drive to a medical appointment outside of Nackawic is \$15 for trips to River Valley; Oromocto or Fredericton. To Saint John are \$30.**
- **Trips to and from the Medical Clinic or doctor, from Nackawic; Millville; Queensbury; Southampton, will be provided as a neighbourly gesture, free of charge.**

In order to make the most efficient use of the vehicle, the dispatcher shall attempt to coordinate drives, such that two or more passengers may share a trip. This may require some juggling of times. Fees will be the same for each person sharing the drive. Each will pay the \$15 fee.

Please pay your driver the appropriate fee. The client pays parking fees. The Volunteer driver will provide the payment to Nackawic Area Wellness which oversees the program.

Drivers are not expected to make unscheduled stops on the way to and from appointment.

These guidelines are revised as of OCTOBER 2020
