New Brunswick International Student Program

Nackawic High School is currently hosting 11 international students from 6 countries. We are now seeking additional host families for students who will be needing homes for second semester, from February to June. Visiting students live with a host family, attend regular classes at Nackawic High School, and participate in extracurricular and community activities.

A host family does not need to have a child who currently attends NHS. Many grandparents, single adults and empty nesters have volunteered to host students. There is also a financial incentive of approximately \$800/month to help compensate for the extra expense of welcoming a guest for an extended period. If you are interested in hosting an international student next semester, please contact Sean Newlands at 575-6041 or by email at sean.newlands@nbed.nb.ca
