NES Healthy Minds

We would like to thank our most recent donors: Judy and Wayne Fox, Jackie Sharpe, The Shuffleboard Crew, NVFD and UNIFOR Local 219. Donated money goes towards breakfast food, snacks and supports buying equipment for our playground. The Nackawic schools are still looking for ways to subsidize lunches for students. The district has a committee and holds meetings at NES. If you would like more information on meetings or how you could help contact any of the 3 schools and speak with the principal. A huge "thank you" goes out to the Nackawic Lions Club for giving a generous donation to all 3 schools for their lunch programs!

Thank You

We would like to thank the many people who helped to support our family during the recent loss of Eric. The outpouring of support helped us get through this very difficult time. To those who called, sent messages and food items and visited with our family during visitation, we appreciate your support. Our family was also overwhelmed by the donations that were made in Eric's memory. A special thank you to the Nackawic Fire Department for honouring Eric by sending some of their members to stand guard during visitation and the funeral. That was a very special touch and was very appreciated. Eric was proud to be a member of the Nackawic Fire Department. Lastly, we would also like to thank the Lion's Club for offering their space and to everyone who provided food for the reception after the funeral. We were again overwhelmed by the amount of support from everyone.

The family of Eric Levesque

Thank You

We are so grateful for each and every act of kindness shown towards us in recent weeks, Deanna unfortunately fell two days before Christmas. To the paramedics, friends, family and community, we appreciate everyone. We enjoyed many full course meals including, roast chicken and beef, homemade bread, cookies, pies and fruit baskets. Thank you from our the bottom of our hearts.

Weldon & Deanna LaKing.

NHS is enjoying its most successful year ever with the NB International Student Program. We have hosted 16 students from 8 different countries. Placements can be from Sept to Jan, Feb to June, or for the entire school year. Visiting students live with a host family, attend regular classes at NHS and participate in family, extracurricular, and community activities for the duration of their visit. There is also a financial incentive of approximately \$800/month for host families to help compensate for the extra expense of welcoming a guest for an extended period. If you are interested in hosting an international student next year, please contact Sean Newlands at 575-6041 or by email at sean.newlands@nbed.nb.ca.
