We thank you from the bottom of our hearts for all the donations.

NES Healthy Minds

How time flies, another school year in the books! We would like to thank our most recent donors who support our Healthy Minds by donating to our breakfast program, lunch snacks and toys for our playground: TOPS, Millville Legion Branch #59, shuffleboard group, NVFD and UNIFOR Local 219. We are still receiving many donations as well for our "Feed the Hawks" program. Thanks also goes out to Dumfries Maples, shuffleboard group, NVFD and the Big Axe Brewery!

NHS is searching for host families for international students who will be arriving in September as part of the NB International Student Program. We are currently looking for hosts for two girls from Germany for 1st semester of the coming school year. Becoming a host family to a student from a different country and culture is an enriching and worthwhile experience. Welcoming international students into your home helps develop friendships that will last a lifetime. Visiting students live with a host family, attend regular classes at NHS and participate in family, extracurricular, and community activities for the duration of their visit. A host family does not need to have a child who currently attends NHS. There is also a financial incentive of approximately \$850/month for host families to help compensate for the extra expense of welcoming a guest into their home. If you are interested in hosting an international student next year, please contact Sean Newlands at 575-6041 or by email at sean.newlands@nbed.nb.ca.
