## GARBAGE PICK UP

We're thrilled to introduce our Municipal Garbage Service as we step into the New Year!

This initiative demonstrates a strategic financial management approach that provides quality services without raising taxes due to rising contractor costs. This endeavor also generates employment opportunities within the Municipality. To ensure a smooth and efficient process, please remember to have your garbage out by 7AM on collection days as the truck will only be travelling in one direction to pick up garbage. Household Garbage Only: no renovation materials or hazardous waste. Please refer to By-law No. S-2023-2: Collection & Disposal of Garbage. Large Spring & Fall Clean Ups will be scheduled and advertised within the coming months.

Contact the Municipal Office at (506) 575-2241 if you have any questions or concerns.

## **NES HEALTHY MINDS**

We would like to "thank" everyone for the continued community support to our school.

Thank you so much for supporting our Breakfast Program, Feed the Hawks Program and our playground initiatives: J-Lynn's Independent Grocer, Jackie Sharp, UNIFOR Local 219, and the shuffleboard group in memory of Tony Schriver. A special "thank you" to the late Althea Arbuckle and her family for ensuring her last batch of homemade mittens made it to NES. They are much appreciated! For inquires about donating to our school please contact Mrs. Priest at 506-575-6000.

Nackawic High School, in partnership with Atlantic Education International, participates in the New Brunswick International Student Program each year.

This year, NHS is currently hosting 7 students from Germany, Japan, Spain, France, and the Czech Republic. We are currently seeking host families to welcome international students from Brazil into their homes for 2nd semester of the school year, from late January to June. This program provides many benefits to both host families and visiting students as they both get to learn about and appreciate different cultures. Visiting students live with a host family, attend regular classes at Nackawic High School, and participate in extracurricular and community activities for the duration of their visit. A host family does not need to have a child who currently attends school. There is also a \$28.15/day (around \$850/month) non-taxable, financial incentive for host families to help compensate for the extra expense of welcoming a guest for an extended period. If you are interested in hosting an international student next semester or if you would like more information about the responsibilities of host families, please contact Sean Newlands at 575-6041
