NHS is enjoying its most successful year ever with the New Brunswick International Student Program. This year at various points, we have hosted 13 students from eight different countries. We are now searching for host families for next year's international students. Placements can be from September to January, February to June, or for the entire school year. Visiting students live with a host family, attend regular classes at Nackawic High School and participate in family, extracurricular, and community activities for the duration of their visit. There is also a financial incentive of approximately \$850/month for host families to help compensate for the extra expense of welcoming a guest into their home. If you are interested in hosting an international student next year, please contact Sean Newlands at 575-6041 or at [sean.newlands@nbed.nb.ca](mailto:sean.newlands@nbed.nb.ca).
