Nackawic High School is searching for host families for next year's international students.

We are currently looking for homes for male and female students for first semester placements and full year placements.

Becoming a host family to a student from a different country and culture is an enriching and worthwhile experience. Welcoming international students into your home helps develop friendships that will last a lifetime.

Visiting students live with a host family, attend regular classes at Nackawic High School and participate in family, extracurricular, and community activities for the duration of their visit. A host family does not need to have a child who currently attends NHS. Many grandparents, single adults and empty nesters have volunteered to host students. There is also a financial incentive of approximately \$850/month for host families to help compensate for the extra expense of welcoming a guest into their home. If you are interested in hosting an international student next year, please contact Sean Newlands at 575-6041 or [sean.newlands@nbed.nb.ca](mailto:sean.newlands@nbed.nb.ca)
