### NACKAWIC & AREA WELLNESS

#### VOLUNTEER OF THE MONTH

Rashida & Derek Atkinson go above and beyond in their roles as coaches. They dedicate countless hours to coaching, planning, and ensuring that every child has fun at practices and games. In addition to developing skills on the court, they organize team-building activities on their own time and consistently foster a positive and inclusive environment. They keep a close eye on fairness and make a point of supporting students who may be left out or picked on. Their commitment spans across multiple age groups, coaching elementary, middle school girls and boys, and high school boys teams. Without their involvement, many of these opportunities simply would not be available to the youth in our community.
