Public Works & Utility Department Operator

POSITION TITLE: Public Works Operator, Full-Time – PW Department

REPORTS TO: Director of Public Works & Utility

POSITION SUMMARY: This full time, permanent position is part of the Municipality's Public Works & Utility Department and is a unionized position. The Operator will perform a wide variety of duties including waste collection operations, water & wastewater management systems, roads/streets winter and summer maintenance, operation of heavy equipment, sidewalk repair and building/vehicle maintenance. Specific aspects of the position are labour intensive.

Description

The Public Works Operator plays a vital role in maintaining and enhancing the infrastructure of our community. This position requires a dedicated individual who possesses a strong work ethic and a commitment to public service. The operator will be responsible for a variety of tasks related to the maintenance and operation of public works facilities and systems. This includes, but is not limited to, waste collection, roads/streets snow operations and summer maintenance and equipment operations & maintenance. Operators will work closely with other team members and departments to ensure that all public spaces are safe, accessible, and efficient. The work is often physical and may require the use of heavy equipment and machinery, demanding both technical skills and a keen understanding of safety protocols. In addition to hands-on work, the Public Works Operator may also engage with the community, aiding information as needed. This role offers an opportunity to contribute significantly to the quality of life in our municipality by ensuring that public facilities meet the needs of residents and visitors alike. If you are looking for a rewarding career that makes a difference and you have the skills, we encourage you to apply.
