Nackawic High School is searching for host families for next year's international students. We are currently looking for homes for male and female students for first semester placements and full year placements.

Becoming a host family to a student from a different country and culture is an enriching and worthwhile experience. Welcoming international students into your home helps develop friendships that will last a lifetime. Visiting students live with a host family, attend regular classes at Nackawic High School and participate in family, extracurricular, and community activities for the duration of their visit. A host family does not need to have a child who currently attends NHS. Many grandparents, single adults and empty nesters have volunteered to host students. There is also a financial incentive of approximately \$850/month for host families to help compensate for the extra expense of welcoming a guest into their home. If you are interested in hosting an international student next year, please contact Sean Newlands at 575-6041 or sean.newlands@nbed.nb.ca

MASONIC LODGE: BOOKS FOR BIKES

Granite Lodge # 54, your local lodge of Freemasons, are proud to host our annual *Books for Bikes* Golf Tournament on Sept. 12th at the Nackawic Golf Club. The program encourages a love of reading by rewarding students for their efforts -every book a child reads earns them a ballot for a chance to win a bike. The Freemasons have proudly donated 72 bikes to date! We invite golfers, sponsors, and community members to come out and support this meaningful cause. Together, we can continue to inspire young readers and make a lasting impact. For more information or to get involved, please contact Gordon Fowler at landrovergordon@gmail.com.
