VIAL OF LIFE PROGRAM

Residents of Nackawic, Millville, and surrounding rural communities can now access the Vial of Life program, a completely free initiative designed to help emergency responders during a medical emergency. The program allows residents to keep important medical information conveniently kept on your refrigerator. This info can help first responders make more informed decisions when someone is unable to speak for themselves. The Vial of Life is a simple step that can make a meaningful difference, particularly for seniors and people living with medical conditions. The program is free to participate in. Find the envelopes at the Municipal Office, Ryan's Pharmacy, The Gathering Place, The Nackawic Medical Clinic and Dr. Bramstrup's Office.

SURPLUS PLAYGROUND EQUIPMENT

The surplus playground equipment was removed from the former Millville Youth Centre property. As the pieces are more residential than commercial grade equipment, there is potential liability to the municipality. A plan is being developed to replace the pieces with more suitable commercial playground equipment. All proceeds from the sale of this equipment will be used towards new structures in the future.

For those who couldn't attend, thank you for thinking of us. A special thank you to Mother Nature for blessing us with a lovely fall day, Todd Hunter for his time and efforts, and making it a memorable day and giving Gordon his best drive home in a transport, Patty Parker and Jane MacDonald for taking over with their organizational skills welcoming and serving our guests. Finally, to Joe McCutcheson for his well-prepared eulogy, a lovely tribute to Gordon. Thank you again to each and everyone for making it a day we will long hold close to our hearts.
